TAGHMON GOLF SOCIETY - Our next and last outing of the year is on December 13th in Wexford Golf Club. Please note change of venue. This outing is a big occasion for us as it is 20 years to the day since our first ever outing at the same venue. The original society members from that time have been contacted and many of them are turning up for the occasion to renew old friendships. We have the tee box from 10:48 and please be early so as we can keep the groups flowing in an orderly manner, it helps us to help you. We are expecting a large turnout for this one, so the earlier you can confirm your attendance the better it is for us. To book your place on the tee box you must respond when a **committee member contacts you shortly**. **Contact a lapsed member or bring a friend along as a visitor**. All outing information can be viewed on our website www.taghmongolfsociety.ie.
